It's outrageous. Our corporate retainer with Paul Weiss is almost 3 times less per month. I agree with Steve that this is a non-starter.

Thanks, Al

Hi Al,

Please find attached a proposal from LA to provide legal services to SCL that was sent to Steve last night.

As you can see, in summary the proposal is:

- Exclusivity
- Full scope of legal services
- MOP 1, 000, 000 per month
- No obligation to provide billing details.

I have briefly discussed with Steve and his opinion is that this is a non-starter.

Steve told me that he will speak with SGA.

Regards

Luis
